This is the last issue of the Pontoon for the year. We will be back with you again in April of 2010. It has been a great year for the club. The successes can only be attributed to the many volunteers whom have donated their time and talents. A big thanks to all current members listed at the back of the newsletter. With your help the Club accomplished several actions which will contribute to our families fishing & boating activities. Within the newsletter is a renewal form asking for your attendance at the annual Christmas dinner and your continued support in 2010. For those folks that are not current members, we ask for your support in 2010 and invite you to the Christmas dinner as our guests. Even if your busy schedule doesn't allow for your involvement in our many activities, your \$10 membership fee goes a long way in supporting the many events and projects the club sponsors. Sign up to become a 2010 member, for the 2009 Christmas dinner, or both. Thank you and may good fishing and safe and fun boating be with you.

Carl Lambert, President, Doe Valley F&B Club
