

NEWSLETTER

Doe Valley, Kentucky

January 2012

from the General Manager

HAPPY NEW YEAR!!!

I hope everyone had a wonderful Christmas. My best wishes are extended to you all for the happiest of New Years. As 2012 approaches, many of us are faced with uncertainty about the future. Our economy has suffered and the Country is facing challenges the likes of which most of us have never seen. That being said, I'm still so thankful that I live in this great nation and yes things may get worse but through it all, I wouldn't live anywhere else. We will persevere relying on our faith, family and friends. So again, I wish all of you a safe, happy and prosperous New Year.

1. NEWS ABOUT THE CLUB:

I received the following e-mail and with their permission, I wanted to share it with you:

Ken,

We just wanted to send a note to let you know how much we and our guests enjoyed Thanksgiving dinner at the Doe Valley Swim & Tennis Club last week. The food was great and only surpassed by the excellent attention and service by the staff. We feel that it was the best value we could have found and hope that it will be offered again next year. Sure beats driving to Louisville or E'town as we have done in the past!

Please feel free to share our comments with the S & T staff.

Regards,

David and Jackie Reesor

The Staff at the Club appreciated David and Jackie's kind words.

The S&T Club will close for the season on January 1st. The Bar will open only on Wed, Thur and Fri. beginning the 18th of January and continue on that schedule until the dining room opens on February the 8th.

2. Club Committee: For information purposes the Club Committee members are Bill Hofmann, Fran Rolwing, Pauline Bramer, Doug Reed, Ken Wilson and Club Mgr. Beth McClure. They are working hard to make the Club an enjoyable place to dine, relax, watch a game, play cards and socialize etc. New ideas are discussed and previous events, meals and parties are analyzed to determine what was good and what was not and how to

keep improving it. If you haven't been in a while... COME ON DOWN!

3. Newsletters: They will be available at the Guardhouse for the next few months. We'll try this for a while and see how many members find this useful.

4. Financial Committee: We are still in need of volunteers for this committee. Experience in finance and budgets required.

5. DOGS: Please pick up after your pets while walking them. Avoid letting your pets run loose, they can be injured by vehicles and other animals as well as a nuisance for your neighbors.

6. WEATHER: If you have special needs and we have a bad snow storm, please call the Guardhouse and have them check on you. Inform you neighbors as well that you might need help if the conditions get bad.

It's also a good time to think about having some emergency equipment in your vehicles like, tow straps, flares, gloves, some hand tools, flashlight, blanket just to name a few. If you get stuck in Doe Valley, call the Guardhouse and request assistance.

7. DRIVING: Let's all drive carefully during the winter months. When the roads get slick, give yourself plenty of room from anyone in front of you and slow down. If you don't have to get out...stay home.

No Board meeting in November.

The Representative Council:

If you would like to serve as a section representative to carry concerns to the Council from your neighborhood, please e-mail Ken Wilson at k.e.wilson@insightbb.com.
